

## **Garth Collins - International Voice Over Artist & Narrator:**

Garth Collins is an international voice over artist heard in over fifty countries, narrating messages for some of the world's top media campaigns. Garth began his voice career as a radio newscaster and co-host before moving into regional and national broadcasting, eventually launching a voice over studio that now has clients around the world. Garth has been a featured narrator at the Primetime Emmy Awards and the National Association of Television Program Executives. Visit <http://www.voiceofgarth.com> for more details and examples of his work.

Deep and authoritative with elegant clarity and warmth. The perfect voice for corporate presentations, political campaigns, medical narration, promotional videos, television, radio and web based commercials, movie trailers, television promos, elearning, computer and web-based training, industrial voice overs, documentaries, explainer videos, podcasting intros and extros, PowerPoint presentations, tutorials, live announcements, multimedia, telemessaging & on-hold productions.

Garth has also been involved in many global humanitarian projects; from helping to bring clean water to Africa, earthquake relief to Pakistan, and promoting causes such as the Born Free USA Primate Sanctuary, Burning Man and the National Center for Missing and Exploited Children in North America.
